Since retiring 10 years ago I have lectured with many of the worlds leading cruise lines. It has and continues to be most interesting and pleasurable. I have been accompanied by my partner, friends and family and enjoyed all the passenger facilities.

I have joined forces with leading entertainment supplier to the cruise industry **The Peel Entertainment Group** to form a division to offer speakers to the cruise industry and we are seeking interesting and capable people able to give PowerPoint talks.

Those appointed will give 3 – 5 talks of 45 minutes talks followed by 15 minute question and answers sessions. We seek speakers in the following topics

Antiques, Ancestry, Arts, Animals, Astronomy, Culinary, Film, Editorial, Fire Service, HM Forces Gardening, Health, History, **Law**, Literary, Maritime, Media, **Police**, Music, Dance and Bridge Instructors.

Prior to appointment prospective speakers must spend a days induction and tuition in Southport. There is a fee of £125 payable at the end of the visit. Should a cruise not be offered with 12 months a full refund will be give.

There is a daily charge of £15 per person for the duration of the cruise. The lecture may be accompanied by Family or friend.

There is immediate requirement with Thomson with ten cruises. I attach details.

If you could advise your members of this opportunity as soon as possible, it would be appreciated. If interested they should phone or email me.

Yours Truly

Gordon
