AUGUST 2013.

THE NATIONAL ASSOCIATION OF RETIRED POLICE OFFICERS

## Chairman's Chat

You will remember in the last Newsletter (August, 2012) I gave a brief outline of our Branch from its outset. Here is some more history of our Branch. At an AGM held at Chesterfield Police Station on the 3<sup>rd</sup> April, 1960, Mr. Pitts, Chief Constable presented a Life Certificate to Joe Kennedy for outstanding services to the Association.

It is interesting to note that our AGM's are held on a similar date and that Life Certificates are still presented.

It is also recorded in the minutes were published in the Derby Evening Telegraph. The raffle at this meeting realised £5.12s.0d, present day raffles now realise £80 to £1'00.

The Conference was held during September and in 1960 was held at Clacton on Sea on the 7<sup>th</sup> September.

At the Committee Meeting held at Alfreton Police Station on the 9<sup>th</sup> October, 1960, I repeat a record a quote from the Minutes, "A most interesting and lucid report was given and although the resolution sent by this Branch was lost the general opinion was that our delegate had performed her duties with credit to both herself and to the Branch". This related to a resolution about Preserved Rate Widows put to Conference by Mrs. Hayes.

I hope you will support the Branch whenever you can and I wish you all good health.

The object of the Association is, "To safeguard the rights of members and to promote measures for their welfare, with particular regard to pensions".

**Len Smith - Chairman**

There is a section called 'contact us' so if you are on the internet contact me so I can have your up to date email address. Also if you follow the link to the Main NARPO website, there is a wealth of information and help from Computer help, House, Car and Travel Insurance to Tax advice.

## **FAREWELL.**

Malcolm North, former Branch Secretary, has retired from the Branch Committee. I am sure you will join me and wish Malcolm and Anne our thanks and best wishes for his work over the years.

## **INJURY ON DUTY.**

Further to the previous Newsletter, HR has sent out letters that reviews will be notified in October but will not be carried out until December at the earliest. As far as the Derbyshire protocol is concerned they are still in discussion with some other forces but NARPO and the Federation will be invited to have an input in due course. Should anyone have any problems with this subject, then please contact [gregory.frank@sky.com](mailto:gregory.frank@sky.com) or on 01773 810641.

When things have been finalised and to our satisfaction, then a further statement will be issued.

## **VILLA SCYLLA, ITALY.**

If you recall Michael McElhinney very kindly did an article on his holiday to Villa Scylla. Well as a result it whetted my appetite so much, that I stayed at the Villa from the 9<sup>th</sup> to 16<sup>th</sup> August this year, with my wife Eileen and Bryn and Diane Johnson. It is set in a beautiful area of Italy on the border with Switzerland, on Lake Lugano. The Villa, which was built in 1905 and remodelled in 1919 in the Italian Art Nouveau Architectural style, sleeps 6 comfortably. There are two units in the Gate House which sleep two more couples. Both are set in securely fenced grounds with a swimming pool and tennis court. Unfortunately they do not allow us to use the pool and it is

securely covered, however you can play tennis with racquets and balls provided.

I can't recommend a visit to Villa Scylla enough. It is free to NARPO members. Look at the main NARPO website and the section on Villa Scylla. They also have a house near Amsterdam. Please do not hesitate to contact me if you decide to take up this offer.

## VOLUNTEERS WANTED

Member Mark Fitzpatrick works as a Volunteering Officer with the Alzheimer's Society. He is looking for volunteers particularly in the North of the County. Can you spare some time? If so, contact Mark at [mark.fitzpatrick@alzheimers.org.uk](mailto:mark.fitzpatrick@alzheimers.org.uk) for more details see our website.

## ASSISTANCE REQUIRED

Catherine Clarke is a Carer in mental health and is currently searching for additional help to care for her son who has a severe mental illness and Aspergers Syndrome. Her son lives at the family home and requires assistance throughout the day as he is unable to live independently. Her younger son is getting married next year and it is highly unlikely her son will be unable to attend the wedding. Consequently she will need extra support in the care of her son during this celebration period. Police seem to have the ability to relate from their heart whilst mental health professionals communicate from their professional facade and the genuine interaction is lost. Her son responds better with genuine people. Catherine lives on the border with Sheffield. If you feel you can help contact her at [cclarke@post.com](mailto:cclarke@post.com)
