

Abu Dhabi Police Vacancies

Ladies and Gents,

I am a retired police officer from UK and I am working as a Team Leader for a team of about 60 Strategic and Tactical Advisors, employed by the Abu Dhabi Police, United Arab Emirates.

We are looking to recruit additional staff in the near future and it would suit someone approaching or recently retired or someone looking for a change.

Abu Dhabi Police are introducing new working practices within a programme of modernisation which reflects Abu Dhabi Government's ambition to become one of the world's leading destinations for investment, business, sport and tourism.

An experienced team of International Policing Advisors is assisting with this change process. We are looking to recruit additional staff to expand our team of Strategic Advisors and Tactical Advisors.

Strategic Advisors will most likely have reached at least the rank of police Superintendent, they must be educated to degree level, have at least 20 years relevant recent experience and be no older than 55 years of age.

Tactical Advisors will most likely have reached inspecting ranks, must have at least 15 years recent experience and be no older than 55 years of age.

Expressions of interest are also invited for police staff roles, such as Crime Scene Investigators, Analysts, Corporate Development and Research, Technical Surveillance and Information Security. These staff should have at least ten years relevant experience

In the first instance, interested parties should send an email with **Expression of Interest**, in the subject line and the following details in the body of the email - your name, age, last role and rank, highest educational qualification and your area(s) of expertise/speciality (as bullet points) to adpapplications2015@gmail.com

The deadline for expressions of interest is 31st December 2015

If you meet the necessary criteria, we will return a CV template and guidelines for you to complete.

Alan Betts

Deputy Team Leader

Advisory Affairs Section

Strategic Development and Performance Improvement Department

Abu Dhabi Police
