Dear David,

Thank you so much for your donation of £200 raised at a raffle held at the recent social event held by the National Association of Retired Police Officers- Derbyshire branch.

We are all so grateful to you and to all the members for kindly choosing to support Ovarian Cancer Action.

Please do pass on our thanks to all who have taken part.
Your unwavering support keeps us going, and that has never been more important.

Your donation will help us accelerate progress in our three main areas of research: preventing the disease, diagnosing it early, and developing kinder, more effective treatments. Improvements in each of these areas will help women today and for generations to come.

Collectively we are powerful, and together we will make a difference.

Once again thank you very much to you and your daughter for your ongoing support of Ovarian Cancer Action. If there is anything further that we can do to help, please don't hesitate to get in touch.

Kindest regards,
Miranda Holmes
Supporter Care Officer
