## A Big Thank you

*Your feedback has been appreciated and delighted to have helped so many members*

***I'm off on holiday!***

***No that's not me ! But I am off on holiday to Sri Lanka & Dubai from May 23<sup>rd</sup> until June 3<sup>rd</sup>. The phones will be transferred while I am away so you can still call. But emails will come to myself and I will try to answer if I can while away. But if you are looking to book, best to call me by May 22<sup>nd</sup> or from June 3<sup>rd</sup> if you can, then you will deal directly with me only.***

***For eagle eyes I took the picture above in Singapore Zoo but we are going to the elephants in Sri Lanka so thought it fitted***

### Late Deals

If your holiday is price driven , Bulgaria is hard to beat overall. When in the resorts you will find prices very low compared to UK and many people go All Inclusive just for the drinks!

TIP: If going All Inclusive in Bulgaria go at least 4 star if not 5

I can look for late deals for all major UK airports at anytime. So feel free to call or email and ask if there are any deals for your airport. I would need to know the dates you would travel, the departure airport (s) number of people , if children their ages on return and where you want to go. I can then quickly tell you the bargains.....

TIP: Late deals change all the time so be ready to book quickly as they continually change

## 2016 Bookings

Cruises are being booked until 2017 in many cases , so if you want to holiday afloat give me a shout. But due to the timescale involved you will have to book many as cruise only and add flights later, which is not a problem.

### When can I book and why do it so early?

As a rule schedule flights are available 11 months from your planned return date . You may book tours or other packages that include flights ahead of that, but no definitive information will be given as the flights are no loaded on any system. But booking early gets you great deals and more choices

If you see an advert for a holiday in the paper you can always ask me to try and beat it and we even book the Mercury Direct offers which feature heavily in weekend press.

Olympic Holidays are starting a new TV advert so if Greece is the place for you just shout ! As we book Olympic and many other suppliers to Greece , Turkey etc
